

Teacher - Student Support

Position Summary:

The Teacher - Student Support works with sites that need a high level of student and family support during the summer program. We are looking for candidates from the social work, MFT, school health or counseling fields who can work with teachers to create behavior support plans for students in need, help students & families access community resources, and implement Restorative Practices on site.

Duties & Responsibilities may include:

- May work at 1 site or split time between no more than 2 sites
- Act as a Restorative Practices Leader
 - Help train and support staff on restorative practices
 - Manage and oversee targeted interventions: restorative dialogue, conflict mediation, etc.
 - Work with Site Directors when intensive intervention is needed
- Run either a youth development or mental health related elective twice a week
- Serve as a guest teacher for the Issues & Choices class to do 1-2 presentations in each class at each site (social-emotional growth component)
- Link students/families to appropriate resources, as needed: on-going mental health services; recreation/sports programs; afterschool programs; youth development programs; medical services
- Monitor targeted student progress
- Facilitate a minimum of one parent workshop focusing on either high school/college planning or parenting teens (including implementing consequences & effective programs at home and normalizing puberty)
- Help ensure that the successes of target students at Aim High be shared with school-year staff & other service providers

Qualifications:

- Social work/MFT/counseling master's degree with at least one year of school experience, middle school preferred. Bilingual and knowledge of community resources a plus.
- Experience and training in utilizing restorative practices in a school setting.

Compensation and Schedule:

- Teacher - Student Support receives a competitive salary for the summer. Salary commensurate with experience.
- This position is full time for the six weeks of the program. The Teacher - Student Support is expected to work during the program hours of 7:45 to 3:30 (may vary by site), plus after school faculty meetings and special events.
- Please see aimhigh.org for our program dates, which vary by region.
